C Hospital	≥ 0	10,2019	1,8922	12,0941	10,2019	1,8816	12,0835

Explanation

For electricity and water the changes in rates in August are the result of stable crude oil prices and corrections based on the realizations in June 2015 which are pushing the prices for electricity downwards. Compared to July both the electricity rates and the water rates decreased.
