C Hospital	≥ 0	9,4989	2,3178	11,8167	9,4989	2,6223	12,1212

Explanation

The rates for electricity and water will increase, which is mainly caused by increasing fuel prices and also due to less negative correction factors of electricity and water regarding the month of February as a consequence of minor deviations of the actual production mix in relation to the forecasts.
