C Hospital	≥ 0	9,4989	2,8895	12,3884	9,4989	3,0698	12,5687

Explanation

The rates for electricity and water will increase, which is mainly caused by increasing fuel prices, the production mix for December and also due to an increase in the correction factors of electricity and water regarding the month of October as a consequence of changes in the production mix in relation to the forecasts.
