C Hospital	≥ 0	9,4989	2,5668	12,0657	9,4989	2,6296	12,1285

Explanation

The rates for electricity will decrease and the rates for water will increase in February 2018. The changes in the rates are the result of lower fuel prices combined with a lower correction factor for electricity and a higher correction factor for water regarding the month of December 2017.
