C Hospital	≥ 0	9,4989	2,8080	12,3069	9,4989	2,8895	12,3884

Explanation

The rates for electricity and water will increase, which is mainly caused by the production mix for November, and also due to an increase in the correction factors of electricity and water regarding the month of September as a consequence of changes in the production mix in relation to the forecasts.
