

Through this publication, the Government of Curaçao announces that the end user price for the products Mogas 95 and Gasoil LSD shall be adjusted as per 30 March 2021. The end user prices for the products LPG 100 lbs and LPG 20 lbs remain unchanged.

In view of the frequent fluctuations in the international oil prices, the government feels obliged to proceed to:

1. the monthly adjustment of the end user prices, and
2. the publication of the current and new end user prices per product.

#### Explanation

The increase of the end user prices for Mogas 95 and Gasoil LSD is mainly due to a substantial increase of the purchase prices. This is the consequence of the development of the international prices for oil and fuels, which led to increases of 55-75% since November 2020.
