#### Explanation

Turnover tax is not included in the wholesale price of Mogas 95 and LSD. The excise duties on Mogas 95 have also been reversed to the old level of 41.34 cents per liter. The end user price for Mogas 95 increases due to an increase in the purchase price, the surplus/deficit component and the adaptation of the excise tax. The end user price for LSD decreases mainly due to the exclusion of turnover tax in the wholesale price.
